

# Learn computers

**Not sure how to use your mobile phone or computer?**

**Need help doing things online?**

**Want to be more confident using technology?**

**There's free, friendly, relaxed support for all ages across Wythenshawe every week.**

- Help using laptops, mobile phones, and tablets
- Computer skills like setting up emails, online forms, sending documents, printing and scanning
- Support with apps like the NHS and MFT (Manchester Foundation Trust Hospitals)
- Make the most of being online and stay safe
- Advice on low-cost broadband, data SIMs and affordable devices
- ICDL/IT level 1, 2 and 3 qualifications

# Learn computers
